Date:

To whom it may concern

Wake Green Surgery is regrettably currently not accepting new patients. The only exception to this is family members of current registered patients living in the same household. This is to ensure the surgery sustains a workload that is safe and manageable. NHS England is aware of this decision.

Information on how to register at other surgeries in the area can be found on the NHS Choices website:

[www.nhs.uk](http://www.nhs.uk).

Yours faithfully

Raj Dau  
Practice Manager
